What The Bleep Do We Know?

Great news! The movie that coaches all over the United States have been talking about is coming to San Antonio, "What the Bleep Do We Know?!" It will be at the Bijou and at the Fiesta Theater on Vance Jackson near De Zavala. Check out the website www.whatthebleep.com.

At other cities around the U.S. it has been playing to big crowds and the run has been extended. The movie is of broad interest to coaches and a number of coaching SIGS and discussion groups have been talking about it.

"WHAT THE BLEEP DO WE KNOW?!" is part documentary, part story, and part elaborate visual effects and animations. The protagonist, Amanda, played by Marlee Matlin, finds herself in an Alice in Wonderland experience when her daily, uninspired life literally begins to unravel, revealing the uncertain world of the quantum field hidden behind what we consider to be our normal, waking reality. The fourteen top scientists and mystics interviewed in documentary style serve as a modern day Greek Chorus. The chorus members act as hosts who live outside of the story, and from this Olympian

view, comment on the actions of the characters below. They are also there to introduce the Great Questions framed by both science and religion, which divides the film into a series of acts. Through the course of the film, the distinction between science and religion becomes increasingly blurred, since we realize that, in essence, both science and religion describe the same phenomena. It's a documentary. It's a story. It's mind-blowing special effects. This film plunges you into a world where quantum uncertainty is demonstrated - where neurological processes, and perceptual shifts are engaged and lived by its protagonist - where everything is alive, and reality is changed by every thought.

WHAT'S CLUTTERING YOUR LIFE?

Whether it's bulging closets, old emotional baggage or over-loaded schedules, many of us face an over-crowded life that frustrates us and saps our energy. On Saturday, October 30, 2004, participants gathered at St. Peter's Catholic Church in Boerne for a spiritual, fun and intriguing look at the many types of *clutter* in our lives. During the workshop, lead by **Simple Journeys Life Coaching** founder **Janet Bonnin**, participants acknowledged the role *clutter* plays in slowing their spiritual growth and learned some simple but effective steps to rid themselves of *clutter* and to prevent its return.
